Best Regards,
Jim Kelly

Commissioners;

Please put an end to this nonsense (Southwest Gas Corp. Docket Number: G-01551A-10-0458 re Rate Increase and Decoupling) All businesses small and large when faced with a decrease in revenue, will lay-off people until the budget is balanced. Only the idiots in Washington DC can get away with any other alternative. That is why the USA has lost it AAA rating.

Please vote against a rate increase, but never let them decouple expense from revenue.

Decoupling is a upward death spiral . Revenues go down raise rates, revenues go up, hire people, and so on.

The only difference between Southwest Gas Corp. decoupling and the US Government is the US Government has so far not been able to raise revenue thru higher tax, so they borrow more money from China.

It is your duty to save Southwest Gas Corp. from this nonsense.

Best Regards,
Jim Kelly
